

VIRTUAL ASSISTANT

Portfolio

SKILL *Overview*

DATA ENTRY

As a Data Entry Specialist, I accurately input, update, organize, and maintain business and financial records using various CRM and data management systems, including QuickBooks and Microsoft Excel. I ensure data accuracy, confidentiality, proper documentation, and timely completion of assigned administrative tasks.

ADMIN SUPPORT

As an Admin Support professional, I provide efficient administrative and operational assistance using various CRM and business management tools, including QuickBooks and Microsoft Excel. My responsibilities include data entry, record management, invoice processing, report preparation, database maintenance, document organization, and ensuring accurate and efficient day-to-day business operations.

E-COMMERCE SUPPORT

As an E-Commerce Support professional, I have extensive knowledge and experience in managing Shopee orders for a packaging company. I efficiently handle order processing, monitoring, coordination, and customer-related concerns. As a fast learner, I can quickly adapt to various e-commerce platforms and systems to support smooth and efficient day-to-day business operations.

SUPPORT *Services*

SERVICE #1

As a Data Entry Specialist and Virtual Assistant, I can provide accurate and efficient data entry, database management, file organization, spreadsheet maintenance, online research, and administrative support. I am detail-oriented, organized, and committed to completing tasks on time while maintaining data accuracy, confidentiality, and reliable support for daily business operations.

SERVICE #2

As your Virtual Assistant, I can provide reliable administrative support, including data entry, email and calendar management, document preparation, file organization, online research, customer assistance, and daily task coordination. I am organized, detail-oriented, adaptable, and committed to helping streamline your operations, improve productivity, and support your business goals efficiently.

SERVICE #3

As your Virtual Assistant, I can provide reliable e-commerce support by managing orders, updating product listings, monitoring inventory, responding to customer inquiries, coordinating shipments, and maintaining accurate records. I am a fast learner who can quickly adapt to different e-commerce platforms, tools, and processes to support efficient daily business operations.

Successfully managed and maintained accurate customer order records, achieving 99% data accuracy, processing hundreds of entries efficiently, reducing errors, and ensuring timely updates for smooth daily business operations.

Successfully managed and maintained hundreds of customer order records with 99% data accuracy, ensuring timely and reliable information across daily operations. Improved data organization, reduced entry errors, and maintained 100% on-time record updates. Efficiently processed high-volume order details, payment statuses, delivery information, and customer records. These efforts contributed to smoother administrative workflows, faster data retrieval, improved order tracking, and more efficient coordination between sales, production, and delivery teams.

CLIENT *Testimonial*

Jarred provided exceptional Admin Support and Data Entry services for our packaging business, consistently maintaining 99% data accuracy and completing 100% of assigned records on schedule. His attention to detail, efficiency, and ability to manage customer orders significantly improved our daily operations. Jarred deserves full credit for helping streamline our administrative processes and maintain organized records. We highly recommend him to businesses seeking a reliable, skilled, and dedicated Virtual Assistant.

–**Dianne Tavaréz**, Huswell Trading Head of Operations

CLIENT *Onboarding*

1

SET-UP MEETING & DISCUSSION ABOUT THE PROJECT

Conduct an initial set-up meeting to discuss project goals, expectations, requirements, timelines, responsibilities, communication methods, and workflows, ensuring clear understanding and alignment before beginning the assigned tasks and operations.

2

PROPOSAL & AGREEMENT INCLUDING RATES/FEEES

During this onboarding step, we discuss project requirements, scope, deliverables, timelines, rates, and service fees, followed by a clear proposal and agreement to ensure mutual understanding before starting work.

3

ONBOARDING FORM & PROJECT

Complete the onboarding form and provide essential project details, requirements, goals, timelines, and expectations to ensure clear communication, proper planning, smooth collaboration, and successful project execution from the beginning.
